

JANUARY NEWSLETTER

Principal's Message

Dear Students, Parents, and Staff,

Warm greetings as we step into a brand-new year 2026. January is a time of fresh beginnings, renewed goals, and purposeful actions. As we begin this journey together, our core value for the month is Responsibility.

Responsibility begins with understanding that our choices matter. It is reflected in how students take ownership of their learning, how we respect school rules, care for our environment, and show accountability in our words and actions. Being responsible means doing the right thing, even when no one is watching.

For our students, responsibility shows in completing assignments on time, being punctual, caring for school property, and treating everyone with kindness and respect. For parents and teachers, it is guiding, supporting, and modeling responsible behavior that shapes young minds for the future.

As we embrace this value, let us encourage our children to take small but meaningful steps—setting goals, managing time wisely, and being accountable for their actions. Together, let us nurture individuals who are not only knowledgeable but also dependable and trustworthy.

May this month inspire us all to grow into responsible learners and responsible citizens. I wish everyone a joyful, disciplined, and successful start to the New Year.

Warm regards,
Dr. Layne Hunt
Principal
