ACADEMIC YEAR 2024-2025

WELCOME TO THE MONTH OF MAY!

At AIS, we believe that collaboration is key to student success. When educators, parents, and students work together, we create a strong, supportive community where every child can thrive. Whether it's through feedback, shared goals, or joint initiatives like the KHDA Student Satisfaction Survey, your involvement plays a vital role in shaping a better educational experience. Thank you for being an essential part of this journey.
